

Coral Bay Community Development District Permit Application

Coral Bay Community Development District maintains most of the amenities in the Coral Bay community, including roadways, rights-of-way, sidewalks, fencing, pools, parks, landscaping, and waterways. While the District owns much of what it maintains, some of its responsibilities co-exist with owners of homes in the District. Many property owners seek to make improvements such as docks, patios, landscaping, and fencing, to their property. Many times, these improvements occur on or affect the maintenance of easements or property owned by the District.

Please return the completed application to the District Offices at:

Coral Bay Community Development District

If you need assistance in completing the application, please call us at 954-721-8681 x 208.

Other entities may also need to review your proposed improvement for compliance with deed restrictions and building codes. You are strongly encouraged to contact your **Homeowner's Association**, which may require an architectural review or have other rules that govern improvements to your property and the **City of Margate Building Department**, which may require a separate building and/or engineering permit.

If you fail to get the proper approvals before you begin your proposed improvement, you may be required to restore your property to its prior condition at your expense.

The District has available for your use prototypical design plans for docks and erosion control that you are encouraged to follow. Please contact the District office for copies of these design prototypes.
